Maximum Leq-30min, dB(A) Minimum Leq-30min, dB(A)

Note:

As three of the monitoring dates (11, 17 and 23 June 2025) fell within the exam period of the school, the limit level of noise monitoring of the monitoring dates were set to be 65 dB(A), while the limit level of noise monitoring of the other monitoring dates were remained as 70 dB(A).
