Note:

As four of the monitoring dates (2 November 2024, 5 Novemer 2024, 13 January 2025 and 21 January 2025) fell within the exam period of the school, the limit level of noise monitoring of these two monitoring dates was set to be 65 dB(A), while the limit level of noise monitoring of the other monitoring dates were remained as 70 dB(A).
